

Magnum::Physics3::World
::testSphereCast

```
graph LR; A["Magnum::Physics3::World  
::testSphereCast"] --> B["Magnum::Vector::push"]
```

A diagram showing a call from the function `Magnum::Physics3::World::testSphereCast` to the function `Magnum::Vector::push`. The call is represented by a blue arrow pointing from the left box to the right box.

Magnum::Vector::push
