    class IDreamSky_BasicScene["IDreamSky::BasicScene"]
    class IDreamSky_Scene["IDreamSky::Scene"]
    IDreamSky_BasicScene --|> IDreamSky_Scene
```

The diagram illustrates a class hierarchy. At the bottom is a white box labeled 'IDreamSky::BasicScene'. A blue arrow points upwards from this box to a gray box at the top labeled 'IDreamSky::Scene'. This indicates that 'IDreamSky::BasicScene' inherits from 'IDreamSky::Scene'.
